Notes: Anxiousness/Irritability (A, B) and Low mood/Sadness (E, F) have sometimes transition from one to another. Please refer to the conditions listed for **Mood Lift I, II** or **Tension-free I, II** to differentiate if majority of anxiousness or majority of low mood/sadness. If poor digestion occurs during taking **Tension-free I, II** and **Inner-calm I, II**, take **Better Digestion** (refer to leaflets of each product for details).
