

You may need to read this leaflet again. Please do not throw it away until you have finished the herbal product. Each individual formula in this product can be purchased separately.

Tension-free II Support the body's self-healing process to soothe tension/restlessness/ worry and irritability associated with two or more of the following:

- ◆ Tension/Restlessness/Irritability/Worry
- ◆ Temperature swings, often tender red/hot face and sweaty night, dry mouth/lips/throat
- ◆ Hard to sleep / Waking up early
- ◆ Lack of stamina / Easily exhausted
- ◆ Fine ear ringing
- ◆ Stomach acid imbalance/impatience with food craving
- ◆ Bad breath/dry mouth
- ◆ Low tolerance to heat
- ◆ Prone to dry stool and/or scanty yellowish urine

These conditions can be triggered or aggravated by emotional upset, stress or hot environment.

Usage guideline for Tension-free II:

Adult only. Take 1-2 capsules of Morning Formula I daily after breakfast, 1-2 capsules of Night Formula daily 1-1.5 hours before bed for 5 days, then take 1-2 capsules of Morning Formula II daily after breakfast, and 1-2 capsules of Night Formula 1-1.5 hours before bed for 5 days. Repeat this alternation. If there is no significant benefit, increase to 2-4 capsules for each formula until there are significant effects, then revert to 1-2 capsules.

Course: 1-3 months. Take a one month break before starting the next course if needed.

For long-term use (>1 month continuous use), **Better Digestion** should be used to aid **Tension-free II**:

Alternate **Tension-free II** (10 days) with **Better Digestion** (5 days) for one to two months until there are significant effects, and then take a one to two month break before starting the next course if needed.

If tension/ restlessness/irritability conditions are under control, use this long-term holistic strategy to maintain good results from **Tension-free II**:

Take **Body Cleanser** first (one package). Then take **Energy-Support I** after breakfast and **Energy-Support II** after dinner. Repeat this cycle until there are significant effects. Then take a one month break before starting the next course beginning with **Body Cleanser** if needed.

Special precautions:

- Do not combine with anti-anxiety or sedative medication.

Health Tips:

- Take a few deeply inhaling and long exhaling breaths when you are feeling flat or stressed.
- Do regular physical exercise, slightly sweating enough.
- Take a relaxing 15-minute walk before bed.
- Drink a healthy amount of water while taking **Tension-free II**.
