

King herb - Rose Flower Bud  
Traditionally used since 1644 AD to help with stress related mood swings and to promote blood circulation. Modern research has shown that rose bud extract exhibits neuroprotective and memory enhancing effects, alleviates depression and anxiety (1, 2).

King herb - Cat's Claw Herb  
Traditionally used since 1368 AD for suppressing hyperactivity of the liver and pathological heat. Modern research has shown this herb calms the body and helps with anti-hypertension and anti-convulsion effects (3).
